

A Valentine

I wrote down words
Like **dime** and **slime**
And did my best
To make this **rhyme**.

I **threw** out words,
Flu, stew and **zoo**
They just weren't
Good enough for **you**.

I wanted to
Express my **love**
But couldn't use
Above or **shove**.

So, here it is
Oh **swine, devine**.
It's just for you
Mine Valentine!
